Description

Art Deco-style pendulum clock, made in Germany in the early 20th century. This piece, produced by the renowned Junghans manufactory, features an oak veneer frame, enhanced by a walnut stain that highlights its natural elegance. The walnut moldings and floral carvings add a touch of sophistication, making it a truly captivating piece for antique enthusiasts. The curvilinear design and decorative details perfectly reflect the aesthetics of the period, giving this clock an imposing yet refined presence. Ideal for enhancing classic interiors or as a focal point in more modern settings, it offers not only functionality but also a historical testament to exceptional craftsmanship. Product condition: Due to its age and wear, this item requires restoration and re-polishing. We strive to
