Zenith Stainless Steel Chronograph, 37 Mm - 1960 -

4 100 EUR

Period : 20th century

Condition : Très bon état

Diameter : 37 mm (hors couronnes) x 44 mm (anses inclues)

Description

Zenith model A 271, a stainless steel two-counter chronograph equipped with the 146DP caliber featuring a minute accumulator (45 min), column-wheel chronograph start mechanism, and a hand-wound movement. Original silver dial with slight patina, applied baton hour markers, tachymeter scale on the flange, solid unpolished case with a screw-down caseback, originally water-resistant crown and case, smooth bezel. Dimensions: 37 mm (excluding crown and pushers) × 44 mm (including lugs). The movement and case are signed and numbered; this is the very first steel version (with no marking on the back). Vintage chronograph in very good condition and in perfect working order, serviced in-house. 2-year warranty.
