Description

A unique pair of large zinc wall sconces with three light arms, dating from around 1900. They feature a Medici vase in high relief holding an opulent bouquet of lilies, from which the light arms emerge; the entire piece is mounted on an oak base. These charming wall sconces are decorative pieces that are both elegant and unique, and will look just as at home in a classic interior as in a more contemporary one--or even in a winter garden...Good condition; some chips visible in the photos, particularly on the flowers (petals); electrical wiring recently redone. Shipping cost to mainland France: EUR20. For other destinations, please contact us for an accurate shipping quote.
