Description

An elegant English-made display bookcase from the Victorian era, circa the mid-19th century, crafted from mahogany with a warm reddish hue.The upper section, closed by a lockable glass door, features three interior shelves and a grooved cornice that crowns the piece. The lower section, featuring a solid panel door, is embellished with a mahogany panel displaying spectacular flamed grain, which enhances its decorative richness. It rests on a solid, molded base.Origin: EnglandPeriod: second half of the 1800sStyle: VictorianDimensions: 77x34x203h cmSKU: 17575
