420 EUR

Signature : Irena Jaworska

Period : 20th century

Condition : Parfait état

Material : Lead

Description

A stunning witch's mirror (convex mirror) made of gilded lead, shaped like a radiant sun, created by artist Irena Jaworska, a student of Line Vautrin.This mirror has great charm; it is typical of the artist's work, combining modernism and brutalism, circa 1960-1970. It is in perfect condition, with a beautiful original patina. The domed glass mirror is also in impeccable condition.Total diameter: 22-23 cm.Diameter of the central mirror: 4.5 cmWeight: 1.4 kg.Shipped with an invoice--fast, careful, and very secure.Buy with confidence: find our customer reviews by searching for "Antiquités Déquier" on Google.
