Description

Large Wall-Mounted Stations of the Cross or Living Room Crucifix from the late 19th / early 20th century. This is a very large model (much more imposing than classic bedside models), ideal for collectors of religious objects or for adding character to a room. Dimensions: 45 cm (height) x 27 cm (width) Materials: Solid wood (oak) base, finely hand-carved, Christ on the cross and side figures in silver-plated metal / regule with a beautiful original patina. Details: Christ on the cross (topped by the INRI inscription) is flanked by the Virgin Mary and Saint John at the foot of the cross. The base includes a receptacle for holy water. Condition: In good overall condition for its age. The wood is sound, the statue mountings are secure, and the metal has a superb antique patina. (Please note
