

Joseph-charles Marin, Terracotta Bust Of A Young Girl

1 550 EUR

Period : 19th century

Condition : Très bon état

Material : Terracotta

Height : 30

Description

A terracotta bust depicting a young woman draped in the classical style, with a lovely patina, this charming bust rests on a marble pedestal. This sculpture from the 19th-century French school is reminiscent of the work of the great sculptor Joseph-Charles Marin (1749-1834).
