Description

Madonna and Child with Saint John the Baptist, 17th-century Italian School. This work of private devotion, characteristic of the Italian Seicento, depicts the Virgin Mary in a pose of maternal tenderness, protecting the Infant Jesus, while the young Saint John the Baptist emerges delicately from the shadows in the background to complete the pyramidal composition. The presence of a dog in the foreground may symbolize absolute fidelity and vigilance toward the divine; it also reinforces the intimate and domestic character of this Holy Family, grounding the scene in a reality close to the believer's own. Italy. Oil on wood. 17th century. Dimensions: Unframed: 34.5 cm x 24.5 cm. Framed: 42 cm x 34 cm.
