Description

A lovely Art Deco vase with engraved decoration, the "ancolies" model by Charles Schneider. A beautiful piece typical of the Art Deco period, featuring these stylized columbines entirely etched with acid. Note the rich variety of colors: a purple base for the floral design with touches of blue and red. The interior of the vase is speckled with gold and opaline-colored clouding. A tall, elegant shape on a pedestal with a small ball at the base and an ovoid body with a short neck. In perfect condition, 39 cm tall, signed "charder" on the side and "Le verre français" on the base with a stylus; a clearly identified model, circa 1925. Beautiful Art Deco vase, elegant shape, and lovely colors.
