## Description

Dimensions: H. 1ng box made from solid turned ash wood, consisting of three parts. The cylindrical body features an elegant, rounded profile, framed by bold turned moldings. The lid, harmoniously domed, is adorned with concentric moldings and has a hole in its centre for string to pass through.The
interior is fitted with a circular, convex base designed to center the spool and
ensure it unrolls smoothly.Provenance: stock from a former hardware store in Auvergne.Beautiful woodturning work dating from circa 1900.This box has never
been used and retains its original varnish. Immediate purchase: payment by
credit card or PayPal.eclectic -- We are not experts, but we have been in this
