### Description

Modernist sculpture in stone or marble: Stylized female nude. Signed CEA superb figurative sculpture carved directly from stone or marble, depicting a refined and stylized female nude in a crouched position. The work is distinguished by fluid lines and a remarkable tension in its forms, typical of modernist sculpture from the second half of the 20th century. The stone features a beautiful, nuanced patina in shades of ochre and brown, with the surface reworked to highlight the relief and the softness of the curves. The work is designed to be viewed from different angles and stands freestanding. Carved stone or marble. Artist's monogram "CE" engraved beneath the base. 20th-century Modern Art. Very good original condition, beautiful patina from use. Length: 21 cm Height: 16 cm Width: 9
