Description

Large two-section sideboard in carved walnut - Louis-Philippe style - 19th century An elegant two-section walnut sideboard in the Louis-Philippe style, featuring a beautiful, warm patina with shades of honey and golden brown.This beautifully proportioned piece stands out for its carved decoration of cascades of fruit and foliage tied with ribbons, adorning the four door panels.The upper section, set back slightly, opens with two doors featuring molded panels and is crowned by a straight cornice with simple molding.The lower section features two waist-level drawers with drop-down metal handles, as well as two doors with molded and carved panels.Between the two sections, a wide serving tray provides a particularly practical surface.It is framed by two elegant volute-style
