Description

"The Holy Face of Jesus Christ " Framed fabric print Dating from the 19th century
Iconographic subject: This is the Holy Face of Jesus Christ (inspired by the Veil of Veronica preserved at St. Peter's Basilica in Rome). The image depicts the Face of Christ with closed eyes and traces of blood and sweat, printed on a fabric backing (often linen) Inscriptions: The caption at the bottom in Latin capital letters reads: "VERA EFFIGIES SACRI VULTUS DOMINI NOSTRI JESU CHRISTI" ("True image of the holy face of our Lord Jesus Christ")
Authentication details: The object generally bears an ecclesiastical stamp in the lower left corner (with the inscription Gratis) and a red wax seal guaranteeing the connection or origin of the print to the Vatican or Rome
Certificate on the back (as is)
Period: This
