Description

A tulip-shaped goblet or cup made of solid silver with a vermeil interior, resting on a gadrooned foot. Hallmarked with the head of Minerva and the silversmith's mark (difficult to read) on the upper rim and on the base. The uniqueness of this goblet lies in the engraving of the "Martini" aperitif brand name; given the quality of the piece, this is not a promotional item, but may have been a gift marking the departure of a brand executive or an item engraved for a special occasion. ... Martini is a famous Italian brand of aromatized wine and vermouth founded in 1863 in Turin. Weight: 85 g Carefully packaged for worldwide shipping Shipping included
