Description

Two corner counter display cases, vintage models known as "confectioner's display cases" or "fan-shaped counter display cases." Trapezoidal shape. Single opening on the counter side, ideal for protecting valuable merchandise (jewelry, watches, precious display items) or small treats (muffins, cupcakes...) while keeping them on display for customers. Each display case features a wooden bracket on the side, allowing them to be connected with a wooden bar to ensure alignment or to perfectly frame the sales area. Solid wood frame and two glass shelves. These two display cases can be placed side by side or separated at the ends of a low cabinet to frame it; they can showcase collections, valuable items, or confections. Height: 99.5 cm
Dimensions: 41 x 29.5 cm
