Description

Some glasses are stamped, others are not; it depends on their age. Price is for 6; you can buy them as a set or individually. Height: 14 cm. Carefully packaged for shipping; 30 in stock in perfect condition. Before 1936, these glasses did not have an acid-etched signature. Since this model has been in existence for over 100 years, this explains the absence of a signature on some of them.
