Description

Elegant Renaissance-style display cabinet in solid walnut--circa 1880Superb Renaissance-style display cabinet dating from around 1880, crafted from solid walnut and featuring rich, ornate decoration.The piece is distinguished by its elegant fluted columns, accompanied by carved figures of seated jesters, which give it an original character and a very special charm.The lower section features a drop-down panel topped by a glass door. The side glass panels bring a lovely brightness to the piece and allow the displayed objects to be showcased from various angles.The interior features three glass shelves, ideal for elegantly displaying works of art, porcelain, glassware, or fine collectibles.This display cabinet is in good condition. Thanks to the quality of its carved decoration, its Renaissance-inspired
