Set Of Three Nesting Tables Made Of Brass And Marble, 20th Century

700 EUR

Period : 20th century

Condition : Très bon état

Material : Brass

Description

An elegant set of three nesting tables featuring circular tops made of light-colored marble, with delicate beige and gold veins.The gold-plated brass legs feature lovely decorative details inspired by classical design, with sculpted acanthus leaf motifs and finely crafted lines. The crossbars provide stability and harmony to the set.The combination of luminous marble and gilded brass gives these tables a timeless charm, ideal for a classic, eclectic, or refined interior. They can be arranged together to create a beautiful display or used separately as side tables, end tables, or display stands for decorative objects.Materials: gilded brass and marble.Dimensions:Large table: 38 × 53 cmMedium table: 32 × 38 cmSmall table: 26 × 26 cmAn elegant decorative set, combining
