Description

DescriptionAn expressive pen, ink and wash composition depicting four figures alongside a curving railway track, with sweeping arches and loosely suggested architecture behind them.Fine pen lines contrast with broad grey and brown washes, creating depth through layered shapes and areas of shadow. The railway track curves through the foreground towards the centre of the composition, connecting the figures with their surroundings. Simplified faces and angular forms give the scene a reflective, almost theatrical character.Offered as follower of Keith Vaughan, with the artist unidentified.Packing, Shipping and insurance from Barcelona calculated at checkout.UK, EU, USA & Canada: EUR80For all other destinations email: hi@moderndecorative.comFor item purchase and
