Description

Mid-century side table by Ganddal MøbelfabrikkTable with a square top made of Brazilian rosewoodMinimalist, architectural trestle-style frame featuring straight, cylindrical legs that taper subtly toward the floor, giving the piece a light and airy appearanceTwo opposite sides are adorned with deep skirts of figured wood. The other two sides feature low, sturdy horizontal crossbars connecting the pairs of legs, which ensures structural stability while maintaining an open and airy profileThe legs are flush-joined directly to the upper frame using integrated mortise-and-tenon joints, creating a harmonious and organic transition between the vertical legs and the horizontal support beams.Bears the "Made in Norway" stamp, as well as the Ganddal Møbelfabrikk logo and serial
