Wooden Fish Sculpture, 21st Century

950 EUR

Period : 20th century

Condition : Parfait état

Material : Gilted wood

Length : 50 cm

Height : 49 cm

Depth : 20 cm

Description

Emerging from the depths of the abyss comes a creature never seen before! Crafted entirely from the finest forgotten elements of European decorative sculpture, this fish achieves a sense of immortality by drawing upon a variety of styles. Gilded, patinated, or raw wood--acanthus leaves, moldings, and angel wings--all come together in an original arrangement to bring this unique species to life. A truly delightful cabinet-of-curiosities piece!

Worldwide delivery available.
