Description

An original Art Deco-style desk, featuring a sculptural design with rounded lines and a remarkable tabletop adorned with geometric marquetry made from various types of wood.The rectangular tabletop is entirely decorated with a composition of small wooden elements in contrasting tones, ranging from golden blond to dark brown. Their irregular arrangement creates an elegant graphic pattern, evoking a mosaic with modernist accents.The front features a central drawer fitted with a metal pull knob.The desk rests on two wide, curved side legs, the upper ends of which are accented with dark elements and light decorative moldings.The generous proportions, softened angles, and combination of different wood tones give this piece a distinctive presence, blending Art Deco aesthetics with
