Description

A charming brooch featuring a frog design by Daum.A delightful little piece of jewelry featuring a tiny frog perched on a leaf, stretching out its leg. Note the beautiful green and plum colors and the lovely luster of the crystal paste. This design was part of the "Nature" series, which was a huge success for Daum. It is reminiscent of the work of Amalric Walter. The glass portion rests on a gold-plated setting.In perfect condition, signed "Daum France" on the base, 8 cm long.A charming little gem, perfect as a lovely gift--the holidays are approaching!
