Description

A Zanotta three-seater sofa, made between the 1970s and 1980s. It features original brick-red fabric upholstery, which is in excellent condition. The linear and understated design, typical of the period, reflects the brand's artisanal quality, offering comfortable and inviting seating, while the distinctive color adds a touch of warmth to any room. Ideal for those who appreciate high-quality vintage furniture, this sofa strikes a perfect balance between retro aesthetics and modern functionality.MOSEDI0329522
