Description

A significant panel of wood paneling featuring carved and gilded decoration, framed by an architectural border with moldings and relief ornamentation. The central panel is adorned with a mercury mirror set within a gilded wooden frame decorated with palmettes, stylized foliage, and scrollwork.The carved upper pediment is adorned with garlands of flowers and cascading foliage, arranged around a central shell motif. The side panels, accented with gilded moldings, feature rich carvings of floral and ornamental motifs. The lower section consists of a molded panel, providing balance to this substantial decorative composition.Period: 18th century, Dimensions: height 315 x 153 cm
