Antique Wrought-iron Decoration From A Sicilian Cart In The Shape Of A Squid

150 EUR

Period : 19th century

Condition : Etat d'usage

Material : Wrought iron

Height : 19

Description

The rich decorations on antique Sicilian carts included paintings and wrought-iron ornaments. Among these were beautiful wrought-iron pieces shaped like squids, a marine animal that symbolizes the island. Various signs of oxidation, but in good condition.I have included two photos sourced from the web that show details of antique Sicilian carts featuring forged elements shaped like a squid, similar to the one in this listing.
