Description

An elegant Italian wall console from the second half of the 17th century, crafted from carved and gilded wood, featuring refined sculptural decoration in the classical style. The center of the piece features a striking putto face with delicate features, framed by thick curls and flanked by large, finely carved wings, which lend the piece a sense of movement and remarkable decorative value. The wings extend outward, creating a dramatic and harmonious support for the upper shelf. Origin: Italy Period: late 1600s Dimensions: 96x53x34h (console height)
