Description

Elegant oil-on-canvas painting, set within a finely carved and gilded wooden frame. The work depicts two friends dressed in Renaissance-style attire, complete with period-appropriate hats. Both figures gaze intently at the viewer: the man on the right is shown in a frontal pose, while the man on the left is presented in a three-quarter view. They hold a small text, likely a Latin treatise on friendship, which symbolizes their deep bond. This painting serves as a fascinating 18th-century interpretation of a Renaissance-style work, certain to add a touch of class and antiquity to any interior. Italian craftsmanship, late 18th century. Dimensions: H x W x D overall 93 x 72.5 x 5cm;
