Description

Glass coffee table designed by Peter Ghyczy, dating from the 1970s. The table features a minimalist design with two glass shelves, supported by slender metal legs and distinctive brass corner joints. The brass elements bear Ghyczy's recognizable four-part logo. The design combines industrial materials with a refined geometric form, characteristic of his furniture designs from this period. The lower glass shelf provides extra space for books and decorative objects. Slight signs of wear consistent with its age. Dimensions: 94L x 94W x 45H
