Description

Welcome to La Trésorerie! This beautiful antique French seal features a faceted handle made of reddish-brown agate. A natural grayish-white band gives the stone a distinctive pattern. The silver setting is richly decorated with foliage motifs and bears the French boar's head hallmark twice. The rectangular die is engraved with an elegant monogram. A beautiful collector's item for enthusiasts of antique writing accessories and seals. It likely dates from the late 19th or early 20th century. Dimensions and weight: Height: 9.2 cm Maximum width: 2.5 × 2.5 cm Total weight: 55 grams Condition: There is a small polishing flaw on one side of the agate handle, just below the light-colored band. Please refer to the detailed photographs. The item also shows signs of wear consistent with its age. Best regards, Ben
