Walking Stick With A Coiled Snake, 19th-century Folk Art.

200 EUR

Period : 19th century

Condition : En l'etat

Material : Solid wood

Length : 92 cm

Description

A carved cane with a snake coiled around the shaft. The shaft is studded with thorns; the pommel is monogrammed "F M." A central crack has been repaired. This lovely cane is a testament to folk art from the late 19th or early 20th century; perhaps it was meant to frighten, or maybe its owner practiced magic? Length: 92 cm. Shipping available upon request.
