Gilded Silver Paten For A Large Chalice.

475 EUR

Period : 18th century

Condition : Très bon état

Material : Sterling silver

Diameter : 16 cm

Description

Antique silver paten, re-gilded, featuring a central medallion engraved with the monogram IHS.It bears a French "Cygne" hallmark.Most likely from the 18th century.Dimensions and weight:Diameter: 16 cmDiameter of the central section: 9.5 cmWeight: 141 gIn very good overall condition, with beautiful gilding. The IHS monogram, engraved in the center, is difficult to read due to wear and the gilding covering it. This paten may be paired with a large tulip-shaped chalice, with an opening diameter of at least 9.7 cm.
