Description

An elegant and stylish sports-themed desk ornament, this is a vintage pen or fountain pen holder depicting a skier in the middle of a descent, equipped with skis and poles. The figurine is crafted from chrome-plated metal, with beautiful, detailed work on the figure and his equipment. It is mounted on a thick, polygonal glass base with beveled edges, typical of Art Deco design. On the side is a conical metal receptacle, likely intended to hold a pen or fountain pen. The piece has a highly decorative appearance, characteristic of desk accessories and promotional or novelty items produced during the interwar period. Art Deco period: circa 1930.
