Description

Dimensions: 55.5 x 55.5 cm - Height: 70 cm. Square coffee table from the 1980s, attributed to Belgian interior designer Axel Vervoordt.This coffee table reflects his deep appreciation for natural materials. It features a harmonious blend of wood for the legs and bamboo for the tabletop, drawing inspiration from Japanese design and the concept of wabi-sabi, which celebrates the beauty of imperfection and transience.Its clean lines and understated color give it a serene and refined presence.
