Solid Silver Rattle With Bells & Crystal Teether - 18th-century Louis XVI Toy, Bells

550 EUR

Period : 18th century

Condition : Très bon état

Material : Sterling silver

Description

A rare and charming rattle made of solid silver, adorned with bells and a translucent crystal teether.A beautiful late 18th-century design, featuring an elegant, beveled handle accented with molded bands and topped with a hanging ring.Remarkable silversmithing featuring scrollwork and curlicues, from which hang several silver bells designed to stimulate and entertain the infant.The teether allowed the child to soothe its gums during teething.15 cm longVery good condition
