Description

Dimensions: Base diameter: 29 cm - Height: 153 cm - Height with shade: 170.5 cm. This floor lamp, with its elegant, modern, and functional design, is particularly popular as a reading lamp next to an armchair or sofa; it allows you to reposition the light source and adjust the lighting to suit your needs, all without taking up excessive floor space. Normal wear and tear consistent with age and use--the lampshade is new.
