Description

- Oil on jute canvas. Original canvas.- This painting, created in Spain in the mid-20th century, masterfully reinterprets Paul Klee's geometric universe through a dense pattern of colorful tesserae. The vibrant fragmentation of color and the rhythmic architecture of the blocks evoke the musical poetics of the Swiss master, infused with an Iberian touch. A bold abstract composition that transforms the pictorial surface into a vibrant mosaic of textures and mineral tones.- Dimensions of the artwork without frame: 45 x 37 cm / 51 x 43 cm with an exclusive, custom-made frame.
