Description

An elegant set of three nesting tables attributed to Maison Jansen, featuring a beautiful decorative aesthetic that blends the refinement of gilded brass with the brilliance of antique-style mirrored tabletops.Each table rests on a slender, gilded metal base, adorned with tapered, fluted legs and turned details that emphasize the sophisticated character of the set. The rectangular tabletops, edged with a gilded brass molding, offer beautiful patinated reflections and a mirror-like surface with authentic charm.The set captivates with its harmonious proportions, timeless elegance, and decorative flair--hallmarks of tasteful 20th-century French furniture. These nesting tables will naturally find their place in a classic, eclectic, or contemporary interior--as end tables, side tables, or arranged together to create a
