Description

A charming oil-on-canvas painting depicting a young woman sitting on a tree trunk by the water's edge, in a composition imbued with tenderness and poetry.Dressed in a long gown in shades of olive green and light colors, she is depicted with her hair loose, in a graceful pose, while her silhouette stands out against a background of shades of gray and blue.The loose brushwork and delicate tones lend this composition an intimate atmosphere, characteristic of certain artistic trends of the early 20th century.
