

Empire-style Armchair Made Of Wood And Olive-green Leather

600 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Description

An elegant Empire-style armchair, crafted from wood in warm mahogany tones, with olive green leather upholstery and decorative bronze accents. It stands out for its padded, enveloping cowl-back design, the neoclassical motifs on the front panels, and the spectacular lion's-paw front legs, also in bronze. Dimensions: 66 × 57 - height: 81 cm.
