Description

Gilded bronze watch holder or ring holder - Chained Cupid - Charles X periodA charming little gilded and patinated bronze watch holder from the Charles X period, depicting a winged Cupid with his wrists bound by a chain connecting him to a tree trunk. The finely chiseled and gilded cherub contrasts with the chocolate-brown patina of the tree and the circular base. A curved branch allows for hanging a pocket watch or holding a ring. This composition evokes the theme of "Captive Love," a popular motif in the decorative arts of the early 19th century.Condition: Original gilding, likely mercury-based. In good overall condition, with some wear and signs of age. Dimensions: Maximum height: 11 cm; base diameter: 7.5 cm.Period: Restoration, Charles X, circa
