Description

Louis XVI-style mahogany bookcase - circa 1900Elegant Louis XVI-style glass-fronted bookcase, crafted from mahogany, dating from around 1900.It features a beautiful front panel structured by two glass-paned doors in the upper section, allowing books, objets d'art, and collections to be displayed. The lower section is adorned with two molded panels, in a simple and refined style.Notable features include its elegant posts, tapered legs, and fine molding, all characteristic of the Louis XVI decorative repertoire. The bronze keyholes add an extra decorative touch.This bookcase will charm with its harmonious proportions and classic elegance. It will naturally fit into both period and contemporary interiors, whether in a library, living room, or office.Period: circa 1900Style:
