Description

Dimensions: 47 x 40 cm - Height: 71 cm. Elegant William IV-era (English Regency) work table.Materials: Rosewood veneer and solid wood base.This superb period sewing table (or work table) combines historical refinement with functionality. It features a storage drawer, ideal for sewing supplies or small items. The lower section retains its original hanging basket, made of golden-yellow pleated fabric, designed to hold needlework. The table rests on an elegant central base, which is in turn supported by a sturdy four-legged frame.No Key.
