

Set Of 2 Sculptural Metal Pedestals With Split, Textured Edges - 20th Century

3 500 EUR

Period : 20th century

Condition : Bon état

Material : Metal

Width : 30

Height : 101 et 80,5

Depth : 30

Description

Dimensions: 30x30 - H: 101 & 80.5 cm Material: Cast / brushed aluminum These pieces, which straddle the line between functional furniture and works of art, are characterized by a contrast of textures: a monolithic geometric structure with brushed surfaces, abruptly interrupted by raw, textured, and glossy fractures that evoke minerals or contemporary ruins.
