Description

This striking ring in 750/°° yellow gold (18 KT, eagle-head hallmark) is adorned at its center with a superb 12.25-carat oval-cut faceted citrine.The stone captivates with its generous proportions, remarkable vibrancy, and exceptionally brilliant luster. Its luminous golden-yellow color, with honey- and amber-hued undertones, is enhanced by a faceting that multiplies the play of light and reflections. This beautiful luminosity gives the citrine a particularly striking presence.It is held in place by two wide, flat prongs of polished yellow gold, positioned on either side of the stone. This minimalist setting allows the citrine to be prominently displayed and highlights the elongated lines of its oval cut.The setting stands out for its flared shoulders, adorned with an openwork design of oblique geometric lines

arranged in tiers. This graphic design, inspired by Art Deco, adds character to the composition while gradually following the stone's contours all the way to the band.The openwork setting, visible beneath the citrine, also features an interesting architectural design. Its geometric openings visually lighten the setting and allow light to circulate around the stone, helping to enhance its brilliance.The combination of this generously sized citrine and this structurally designed yellow gold setting gives the ring a distinct retro aesthetic that is both luminous and sculptural.Particularly striking on the hand, this distinctive ring highlights the rich golden hues of the citrine and the fine craftsmanship of its setting.Estimated citrine weight: approximately 12.25 caratsGross weight: 8.20 gRing size: 53 --can be adjusted to your preference by our workshop; free resizing (current diameter 1.66 cm / US size 6.5)Condition: imperceptible micro-scratches on the ring shank, imperceptible natural inclusions characteristic of citrine, not visible when wornPayment can be made entirely online via the website, or in 4 installments via PayPal, for a maximum amount of 2,000 EUR.We are available to provide any additional information regarding alternative payment methods or the balance for purchases exceeding this amount.Are you a professional?
