Description

Set of six mahogany and leather gondola chairs - Empire periodA beautiful set of six mahogany gondola chairs from the Empire period, early 19th century.These chairs feature beautiful, enveloping backs with elegant lines, characteristic of the gondola style. Crafted from mahogany, they are doweled, reflecting their traditional construction. They rest on saber-shaped rear legs and are upholstered with cognac-colored leather seats.The set offers a simple and refined silhouette, typical of furniture from this period. This set will be perfect around an antique table or in a classic interior.Period: Empire, early 19th centuryWood species: mahoganyUpholstery: cognac-colored leatherConstruction: dowel jointsQuantity: six chairsDimensions of one chair:Height: 79 cmWidth: 48 cmDepth: 37 cmSeat height: 44 cm
