Description

De Coene Brutalist Sideboard, 1970s
De Coene Brutalist Sideboard, Belgium - 1970s. A stunning bar cabinet featuring a Brutalist design, recognizable by its highly graphic interplay of contrasts: warm-toned wood veneer (with elegant grain) accentuated by a black central column composed of panels with concentric relief patterns--a true visual signature. The large, round black handles reinforce the sculptural and unapologetic aesthetic of the era. Discover all our other products on our website:
