Description

A Baroque-style mirror made of carved and gilded wood, dating from the late 19th century. The molded frame is embellished with openwork foliage carvings that spiral outward, connected by ornamental ribbons positioned at the four corners and in the center of the cornice. The artisanal craftsmanship gives the mirror a rich and detailed appearance, typical of the decorative elegance of Italian Baroque. Ideal for enhancing classic interiors or adding a touch of luxury to contemporary spaces. Product condition: Due to its age and wear, this item requires restoration and re-polishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
