Description

A large, classic English-style oak bookcase, likely made by Flamant or Eichholtz around the year 2000.The bookcase consists of an upper section with four glass-paneled doors and a lower section featuring twelve spacious drawers arranged in three rows. Behind the glass doors are solid wood shelves, perfect for displaying books, tableware, or collectibles.This piece is crafted from oak and features a warm, dark brown finish. The simple panel construction, molded cornice, and dark metal handles give this bookcase a timeless character.A practical cabinet offering exceptionally generous storage space, suitable for both home and office settings.Dimensions: 257 W x 241 H x 52 D
