Description

A ceiling light made of iron and sheet metal, featuring an elegant floral and foliage design. Ten lights protrude from concentric branches that unfurl in curling patterns, culminating in a central rosette. The gilded details add a refined touch, highlighting the masterful Italian craftsmanship of the 20th century. This decorative piece can enhance any room with its intricate structure and the play of light it creates, making it ideal for spaces that need a distinctive element with great visual impact. It features 10 E14 bulbs.Product condition:This lamp, due to its age and wear, may require restoration and likely has an electrical system that does not comply with current regulations. We strive to present the lamp's actual condition as fully as possible through the photos. If certain details are not clear from the photos, the
